

U.S. Pat. App. Serial No. 10/719,104

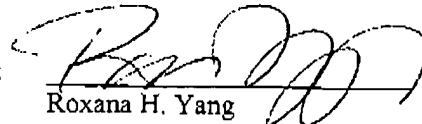

REMARKS

In the parent application, application serial no. 07/898,952 filed on June 11, 1992, four hundred and thirty-eight (438) claims were filed. These claims were subject to restriction under 35 U.S.C. 121. Sixteen groups of claims representing sixteen different inventions were filed. The Applicant is now prosecuting the originally non-elected Group VI set of claims, which includes claims 133-156.

Applicant reserves the right to file the canceled claims in subsequent applications.

Respectfully submitted,
